---

Next weekend, August 7th and 8th, as part of the Mission Cooperative Appeal in our diocese, we will welcome Brother Robert Hazard, FSC, from the Brothers of the Christian Schools to our parish.

The Brothers, commonly known as the De La Salle Christian Brothers, are an international community of men religious founded by St. John Baptist de La Salle in France in 1691.

St. John Baptist de La Salle renounced his family's abundant wealth and dedicated himself to working for the good of the economically poor, especially in the area of education. The Brothers' community has kept alive this dedication. While its Motherhouse is in Rome, the community has spread throughout the world, doing exactly as its founder prescribed.

In addition to their work here in the United States, where they run many schools, including La Salle University in Philadelphia, and Manhattan College in New York, the Brothers do extensive missionary work in foreign countries. Among these places are Ethiopia, Kenya, Nigeria, Nairobi, the Philippines, Vietnam, Haiti, and the West Indies. There they run schools, dedicated to educating under-privileged children. The Brothers also founded and run *Christ the Teacher Institute* in Nairobi where young adults are taught to become educators themselves so that they, in turn, can work with their own people.

The families pay very little for the education they receive in any of these schools. Consequently, the Brothers work with extremely limited sources. They, themselves, often live very poorly and simply, willing and happy to endure whatever they must to spread God's message of love, hope, and trust to those most in need as well as to give their students the intellectual tools necessary to better their futures and the futures of their people.

The Brothers look now to us for our prayers and our generosity to assist them with their very important work. Thank you in advance for whatever spiritual and financial support you may extend to the Brothers. They have assured us that every penny collected, resulting from their visit with us, will go directly to the missions in which they are engaged.

All checks should be made payable to St. Mary Parish.

Thank you!

Mount Royal Academy in Sunapee, NH is seeking two paraeducators in both their Garden (PreK - Kindergarten) and their Elementary school for the 2021-2022 school year. The paraeducator will provide academic support for students, sometimes in a group and sometimes in a one to one situation. The paraeducator will also perform other tasks related to the instruction and supervision of students, routine clerical and supportive tasks for instructional personnel, and other related duties.

A desire and ability to work with young children is essential in this position. Candidates should also have the desire to share their faith through example and teaching, and the ability to see the potential in all students.

Interested parties should contact Mrs. Lisa Sweet, Academic Dean at [lsweet@mountroyalacademy.com](mailto:lsweet@mountroyalacademy.com) or call 603-763-9010.

### **Baby Bottle Benefit Coin Collection**

The Catholic Daughters of the Americas Court Virgil Barber #892 has resumed its support for the Pregnancy Center of the Upper Valley by providing baby bottles to collect loose change donations. The Pregnancy Center continues to provide a wonderful program to pregnant women in need! They offer many resources which include counseling, ultrasounds, options for adoption, maternity/family training, baby items which include clothing and much more! They are able to help women with their pregnancy and also allow pregnant women another option in our community than going to Planned Parenthood. They are entirely privately funded. Please help by donating to the baby bottle benefit. Baby bottles are located in the main entrance of the church. Any donation given to this cause is greatly appreciated and helps the Pregnancy Center continue on their mission! These can be left at the back table of the Church or at the parish office.
