Safe Parishioners - Secure Churches

Following the widespread emotional reactions to the Supreme Court leak and decision overturning Roe-v-Wade, and calls on social media for possible demonstrations and disruptions at Catholic churches, the Diocese of Manchester hired Blue-U.com, a security firm specializing in secure premises and training, to provide risk evaluations and basic security protocols for every Catholic church in New Hampshire, and all at Diocese expense.

While we have not experienced any such incidents at our churches here in Claremont, it was thought prudent to avail the free Diocesan security resources to conduct "walk-through" evaluations of our churches, provide some practical security tips and some basic training of Ushers/Greeters -- to keep our parishioners and visitors safe at Mass and preclude any untoward occurrences in church or on church property. Hence, all but main church doors will be locked at start of Mass to eliminate any troublesome entry, but yet enable exit at any time.

Being aware of our surroundings and acknowledging the possibility of problems arising from social activism or unrest, even as slight as they might be, is a good first step in personal as well as group safety and security.

Many of you may be familiar with the videos of various pilgrimage sites in NH that are regularly posted on the diocesan website (www.catholicnh.org) and hosted by Fr. Josh Livingston. This week the first of two videos highlighting St. Mary's has been posted.

The video (<https://www.youtube.com/watch?v=t2rNjwNNCBE>) is just over 7 minutes long, so please take a moment and see how beautiful the church looks and what a great job Fr. Josh and Fr. Sebastian did showcasing St. Mary's.

Road Trip Pilgrimage

Take a "road trip pilgrimage" with Fr. Josh to explore the hidden Catholic gems across New Hampshire.

The next video will be on Old St. Mary's and will be forwarded once available. The link to the current video is also available on the parish website. Enjoy!

The Grand Annual Collection is off to a great start! This is an ongoing collection, not simply a one-time collection taken up at the weekend Masses. The purpose of the collection is to begin the process of funding the larger repair and maintenance projects on the various parish buildings, both current and future. The first priority will be structural issues and repairs of St. Mary Church. Additional envelopes are now available for all in the church. Thank you for your generosity!
