Because of a conflict with the national Society of Saint Vincent de Paul Society we are not allowed to use the name "St. Vincent de Paul Society" any longer. We will, however, continue our outreach to the poor of our city in accordance with our Faith and Catholic social teaching. After discussion with Father Shawn, he

has suggested that we involve the entire parish in choosing a new name for our parish outreach group. To that end, we are conducting a "Naming Contest". We are asking parishioners to suggest name(s) by jotting down their suggested name along with their phone number and placing it in the collection basket between now and the weekend of September 4/5, inclusive. A committee of our clergy will select the winner and will award the winner a (donated) \$50 gas card. We want everyone to know that we will continue to provide the helping services as we have always done and trust that you will continue your generous giving via the basket placed once a month at the foot of the altar after Sunday Mass. Thank you.

St. Mary Church is open from 9:00 AM to 12:00 PM Monday through Friday.

The United States Conference of Catholic Bishops is asking all bishops throughout the country to consider taking up a special collection in response to the recent earthquake and tropical storm to hit Haiti. To that end, Bishop Libasci is inviting all parishes in the diocese to voluntarily take up a free will offering for relief and aid purposes the weekends of September 11-12 and September 18-19. There will be a basket in front of the altar during both weekends for this special collection. If you plan on writing a check, please make it payable to **St. Mary Parish** and write **"2021 Haiti Special Collection"** in the memo line. Thank you for your generosity!

# THE CATHOLIC UNIVERSITY OF AMERICA

This weekend the diocese will be taking up the National Collection for The Catholic University of America. Catholic University is a national research university with over 5,700 undergraduate and

graduate students in more than 250 academic programs in the heart of Washington, DC. By giving to the collection, you are supporting both future Catholic leaders, religious and lay, who are being formed by an exceptional, Faith-rooted education and the University's various research and training initiatives that support dioceses and parishes in responding to the most pressing needs of their faithful. The Catholic Project—an initiative that aims to heal the breach of trust many have experienced as a result of the current crisis in the Church, an online Child Protection Certificate Program, a Master's program in Ecclesial Administration and Management, and a credentialing program that prepares recent graduates to serve as campus ministers are a few examples how the University is serving the Church and nation. Please give generously. Learn more at: collection.catholic.edu.

# **Baby Bottle Benefit Coin Collection**

The Catholic Daughters of the Americas Court Virgil Barber #892 has resumed its support for the Pregnancy Center of the Upper Valley by providing baby bottles to collect loose change donations. The Pregnancy Center continues to provide a wonderful program to pregnant women in need! They offer many resources which include counseling, ultrasounds, options for adoption, maternity/family training, baby items which include clothing and much more! They are able to help women with their pregnancy and also allow pregnant women another option in our community than going to Planned Parenthood. They are entirely privately funded. Please help by donating to the baby bottle benefit. Baby bottles are located in the main entrance of the church. Any donation given to this cause is greatly appreciated and helps the Pregnancy Center continue on their mission! These can be left at the back table of the Church or at the parish office.
