## Matching Gift Update:

A very big THANK YOU to all families/businesses who have supported this campaign to renovate St. Mary's and to our very generous donor who came forward with the offer to match donations going forward up to \$50,000 in order to help get us over our target.

Last week, we had an additional \$28,550 in pledges/gifts come in, raising our total by \$57,100, bringing us much closer to our goal. We still have several families who were discerning and have not yet turned in your pledge card. This is the time!

If you have not yet turned in your pledge card/made a gift, please do so today, it will count twice!
