We only have 7 weeks to prepare, so every class is important and attendance is expected except in the case of sickness, emergency, or an unavoidable situation. If a class is missed, student is responsible for making up the homework and checking with Mrs. Sweet for anything else that was missed.

Parents, please guide your children in choosing a Confirmation sponsor and a Confirmation saint. We will be providing some guidance, but you know your children best and can help them choose sponsors and saints that will be meaningful for them now and in the future.

Feel free to contact me with any questions or concerns.

Blessings,

Lisa Sweet
